

# PICK A SUIT ANY SUIT

A new, fun, simple game, inspired by one of the games that Clark and Cousin Eddie play in that 'odd' casino in Vegas Vacation.

## Rules and Details:

Place bets on one or more suits, a Joker Bonus bet, and/or a Progressive Jackpot bet.

After the dealer announces "No More Bets," the dealer spreads a deck of cards with one joker.

One player will be given a stylus, used to select four cards.

Wins are based on the number of the first three cards that match your selected suit. The more cards that match, the more you win. The joker is fully wild for an automatic win.

Optionally, a Joker Bonus and 4 card Jackpot sidebet is offered. For the Joker Bonus, the three selected cards will need a poker style hand to win. For the Jackpots, a fourth card is added, enabling you to win a big Jackpot, which could be progressive!
